Bengalian

From our hands into yours...a treasure book of memories, your 1963 BENGALIAN...we've put our best and the best of your year at FHS into it...write all over it like crazy...store it away, if you will...but always look upon it as a memento of your high school year.

Foreword

We, the Class of 1963, dedicate this book as a symbol of the American way of life.

We hope everything in this book shows the beauty of democracy; in the joy of walking freely down a corridor, the happiness in a smile, intensity in competition and the completion of a year of hard work.

The eminence of democracy is evident most strongly in an American school, our schools. We hope that all will realize its beauty, accept its challenge, and perpetuate its grandeur, so that "peace in our time" will be a reality.

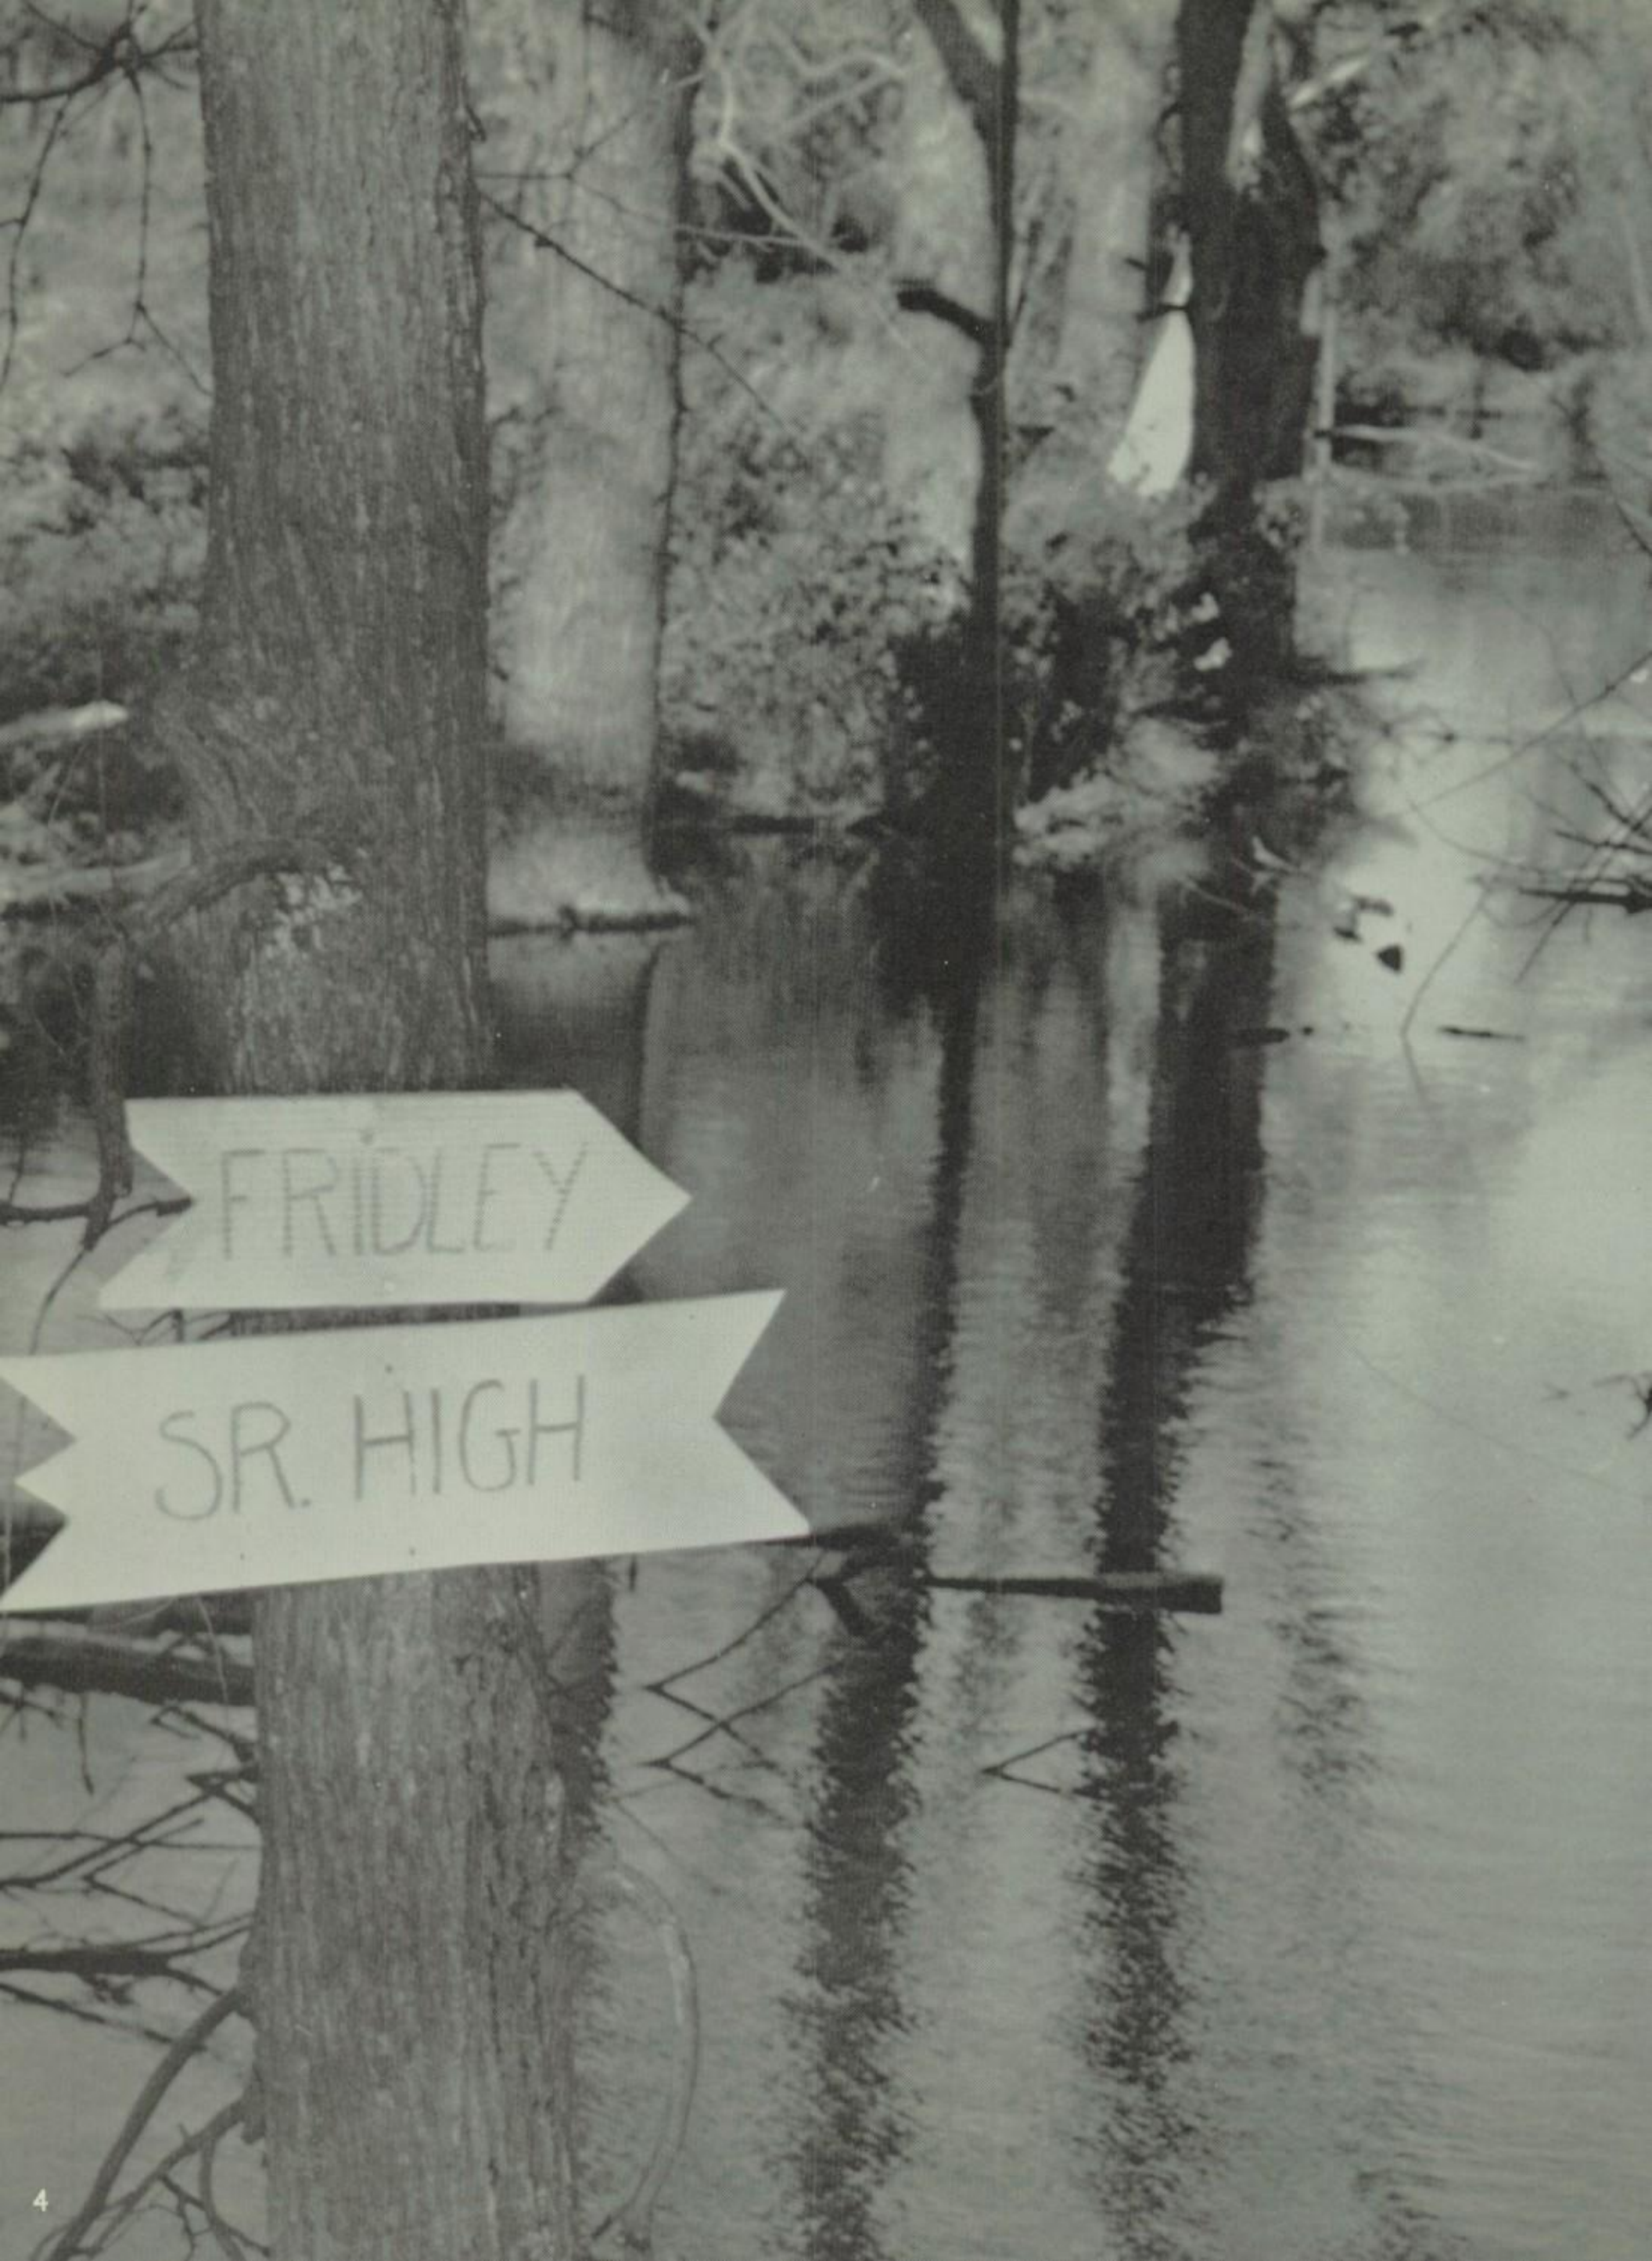

K.D.

"Its highest beauty is in what it symbolizes."

STUDENT LIFE

September 22, 1962

To the Bengalian:

The Board of Education is providing its students with the best possible school system. Through the cooperative efforts of the Fridley City government and the many civic and fraternal organizations District #14 has established an educational hallmark which is a credit to our tax-paying citizens and a mental and physical stimulus to our product: the youth of Fridley.

Our past history has been one of rapid growth and lagging construction. We were plagued with over-crowded classrooms and split shifts. Our students were divided at times between two or more schools; our curriculum was far from complete.

Your Board of Education has not been unsympathetic to these problems. We have not been unrealistic about our lack of money. More important than all this, we have been establishing a master plan which takes into account not only the growth and development of the physical system but also the mental growth and character development of our beloved youth.

Sincerely yours,

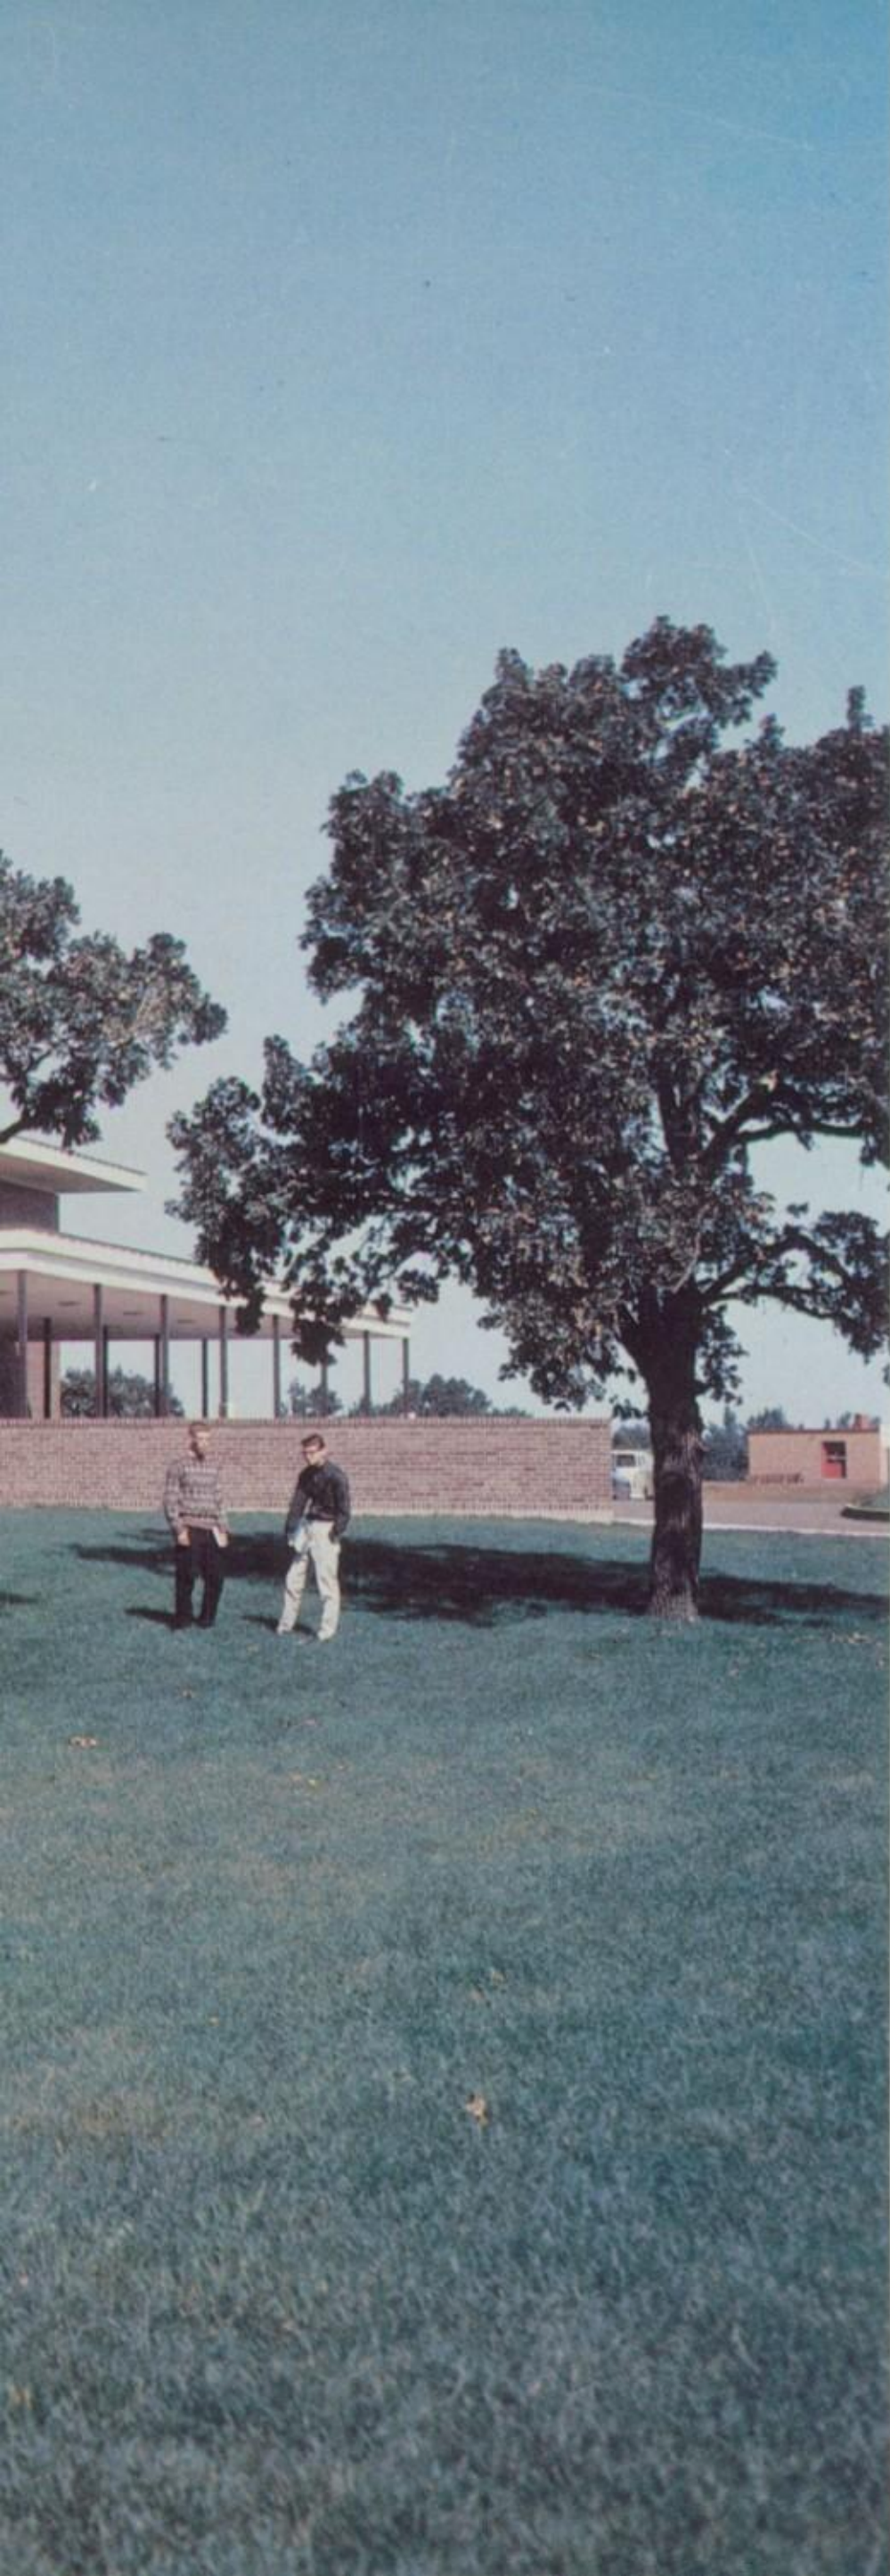

Dr. Richard Trezona

Administration

Our high school days are filled with cherished memories. Some of you remember better than others, such as that important game you wanted so much to win, your first school dance, the class parties and picnics, the feeling of accomplishment when that coveted diploma is placed in your hand. Down the halls of this school are held all the memories of the students and teachers of Fridley Senior High School.

It is difficult to adequately express or reflect the pride I share with my associates and the board of education in each graduating class. This is especially true of the class of 1963. Your class has made many contributions to our school system and, has helped establish standards of excellence that can be profitably emulated by all classes that follow.

I offer my congratulations on the start you have made and wish you well in the years ahead.

John K. Hansen

Best wishes to the Senior Class of 1963. You have built well in all the areas which lead to a profitable maturity.

In behalf of the school, please accept our thanks for your contributions to the school life and tradition. I am certain that your march on the road to success will continue to be as steady and sure as that which we have seen in your work at school.

Sincerely,

Vernon C. Knutson

Americans with Courage."

Message

As the Class of 1963, we have added to Fridley's old traditions and started our own. We have experienced the feelings had by every class before us concerning our senior year, graduation, and the future. We hope, now, to go into the world, seeking truth and striving to live up to the American way of life.

The 1963 BENGALIAN is yours at last. The editors and staff hope you will enjoy it; we are sure that each time you glance through the pages, you will find something new, something you'd missed, something you will want to remember.

The staff would like to thank Cliff Wilder from the David Bank Studios for his fine pictures and wonderful co-operation. Thank you also, Mr. Trude and Duane Peterson, school photographer, for helping us out in many tight spots.

The National Honor Society is an honorary organization for all students who have a B average or above, besides illustrating the qualities of leadership and character.

Regular members are usually inducted in their junior year; probationary members are usually introduced to the National Honor Society in their sophomore year. They are members on a trial basis of one year.

This year the Honor Society sponsored its first "get together" when they had a skating party for all members and their guests. Other activities included the induction ceremony for upcoming regular members.

The Student Council has introduced the fruit machine and mixers to the school this year. Both were accepted very favorably by the student body.

In addition, the council has written up a Class Constitution which will help to organize class meetings and elections in future years. These three things will remain as accomplishments of your 1963 Student Council.

Mixed "A" Choir

Two years ago our choir director, Mr. James Flom had one person turn out for choir. This year 102 persons turned out for choir. This gave Mr. Flom, for the first time, a chance to have a select choir of about 67 people.

Last year the mixed choir received a B+ in the district contest. This year our choir has so greatly improved that we expect to do as well, if not better.

Marsha Martin	4	4

This year's debate teams won approximately 25 per cent of the ninety rounds of debates in which they participated during the season amassing a total of 499 debate points. Of the seventeen students who came out for debate, thirteen debated interscholastically in debate meets which included: the annual Skyline Conference Debate Tournament and six Skyline practice meets, the District and Regional Tournaments, and six invitational tournaments.

The question debated this year was, Resolved: That the United States should promote a Common Market within the Western Hemisphere. The debaters found this an interesting and challenging topic.

A special thanks is given to Mr. Myhra, Coach, by the debaters for his help and encouragement throughout the debating season.

Drama Club

The Drama Club has kept up the cultural interests of students very well during the past year. It presented "Blithe Spirit" as their fall play. Three one-act plays will fill their spring contribution.

Skits and drama reviews, given by members, were presented at each meeting as a first this year.

GAA

GAA this year has been more successful than ever before. GAA encourages participation rather than spectatorship by a point system. This point system has worked very successfully and has enabled many girls to earn letters.

GAA has had volleyball, badminton, skating, and various other activities. It has also sponsored a volleyball team that won a trophy. A banquet is planned for the spring.

Tiger's Tale

Fridley's school paper, the "Tiger's Tale," has been a great help to the students in the last year keeping all students informed of activities and school news.

Under the supervision of Mrs. Mahurin, the staff has rounded up all the sports results and news to make the "Tiger's Tale" possible.

Lettermen's Club

The Lettermen's Club is organized to promote activities for Fridley athletic letter winners. The club sponsors dances, work days, and sells popcorn at all home athletic games. The profits go to the purchasing of athletic awards, cheerleading awards, and cheerleading uniforms. Boys who have met the letter requirements for a varsity sport are eligible to join the organization.

Cheerleading

This year's cheerleading squad has had many firsts. Eight cheerleaders instead of six have cheered Fridley onward at athletic events. We have used pompoms and megaphones to boost the school spirit; and have introduced many new cheers, among them singing cheers and crowd participation yells.

We would like to thank the Lettermen's Club for purchasing our tiger mascot and our new varsity uniforms. We would also like to thank Miss Wagner for coaching us during a year of cheerleading we will never forget.

B-Squad Cheerleading

Cheering on our B-squad football and basketball players, and our wrestlers, were the B-squad cheerleaders. The group now, and as it will continue to be, is made up of eight sophomore girls. Each girl has had a turn at being captain, and now has an excellent chance at becoming a Varsity cheerleader in her junior and senior years.

Varsity Football

This year has been the greatest that Fridley has ever seen in it's football history. But it is only a stepping stone to our future success. Statistics prove that the Tigers won three out of eight games compared to last years one out of seven. In total points, Fridley was outscored by only 121 to 100. Next years team promises to be even better with a majority of the team coming back.

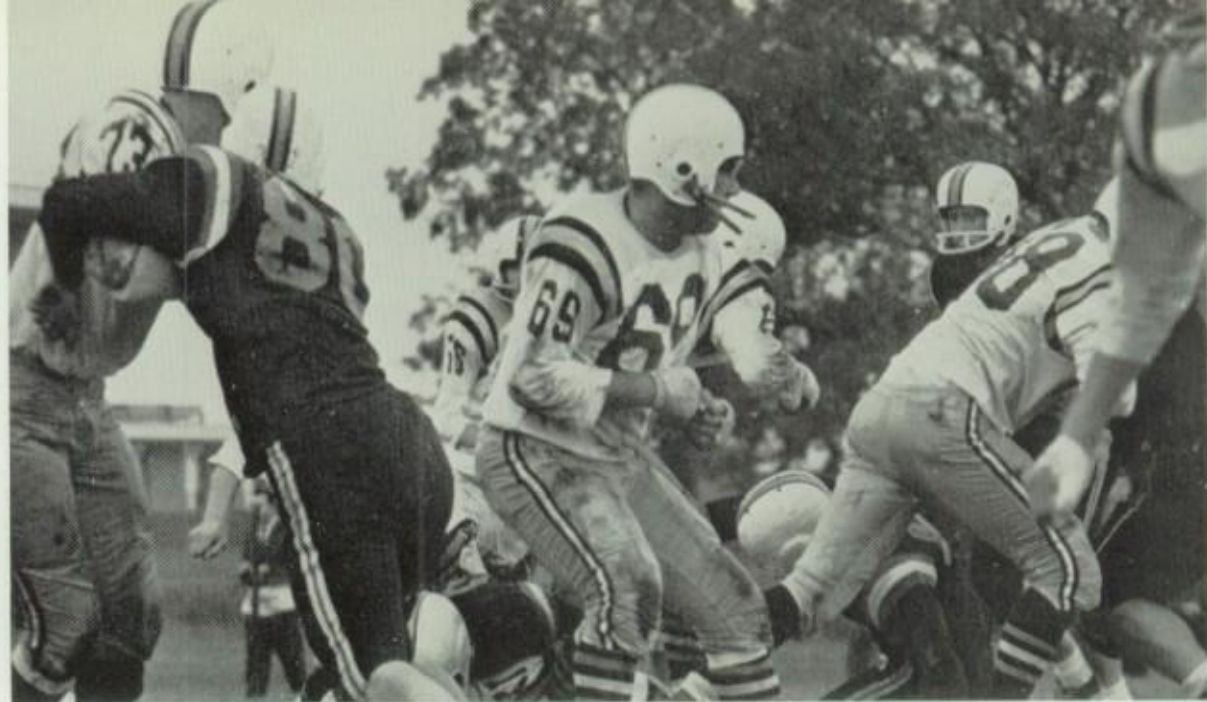

"TIGER IN ACTION"

At the beginning of the season, there was a job of filling in the backfield which was left empty by graduation. Wayne Parks came through with fine ballhandling and passing to make the offensive department of the team strong. They were greatly assisted by Richard Peterson at left half, Robert Murray at fullback, and Tony Sworsky and Tom Kapala running at right end. Leroy Skoglund, Terry Burtson, and Ron Nieman did a fine job as offensive ends.

CAPTAIN ROBERT MURRAY
and COACH DONLIN

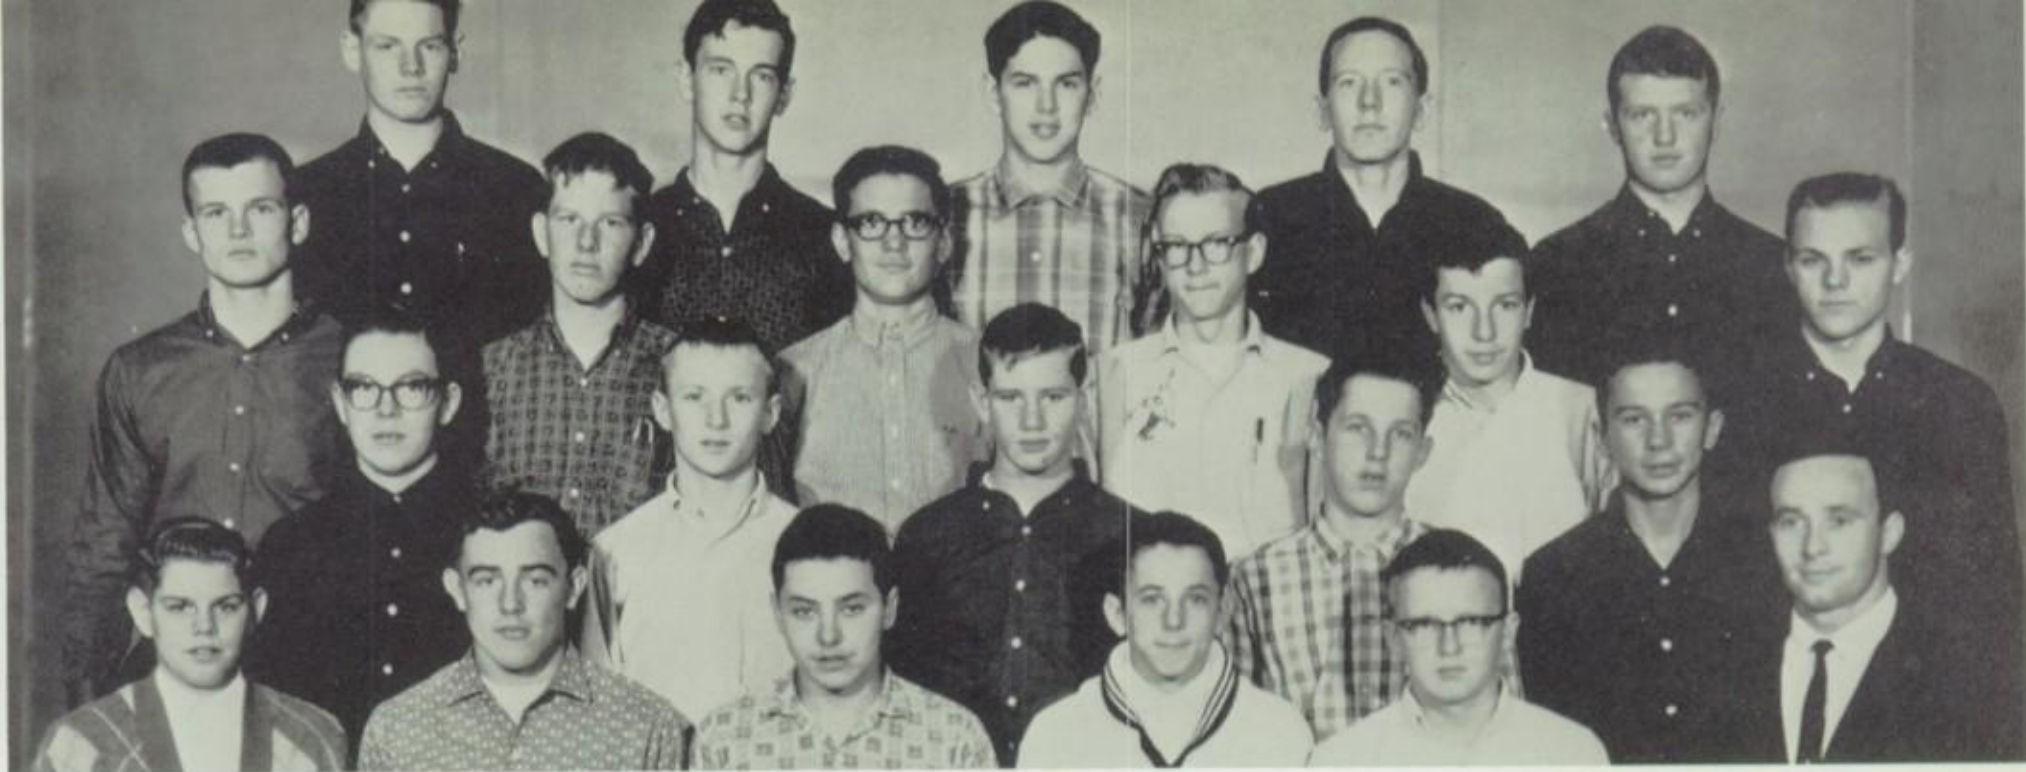

As proof of our team's ability, two of our players were chosen All-Conference team members. Those boys were Robert Murray and Ray Windorski. Ray, chosen for his fine guard ability, was placed on the All-Conference offensive squad. Bob, who was the first single captain elected by a football team in our school's history, was placed on the defensive squad as a line-backer. Gary Blomster, tackle, and Dick Peterson, halfback, were honored by receiving honorable mention.

THE COACHES

Our basketball team has shown great improvement this year. They put forth a great team effort in the Osseo and Spring Lake Park games, which made all of Fridley proud.

The graduating seniors, better known as the "Magnificent Seven minus One," are Rocky Dragos, Captain; Bob Marray; Stan Sunberg; Terry Burtson; Jim Tammes; and Bruce Anderson. Although these seniors will be missed, their places will be ably filled by next year's upcoming stars Don Carlson, John Dalsveen, Dennis Otten, and Dick Peterson.

Skyline Conference Wrestling Champs 1962-63

Wrestling, 1963 . . . a year to remember. We were undefeated in conference action, capping the title and finishing the season with a 21-20 victory over rival Spring Lake Park. Six of our boys, Russ Holland, Don Lennox, Jim Anderson, co-captains Ron Niemann and Tom Ocel, and Ray Windorski were also unbeaten in the Conference. We won the Edina Invitational Tournament, and placed second in the Fridley Invitational--a first this year--and in the Skyline, District, and Regional Tournaments. Three team members, Mike Maas, Mike McNair, and Jim Anderson went on to the State Meet and Jim brought Fridley, and the Skyline Conference, its first state championship.

Support for the team has risen greatly this past year, both away and at home. In the final meet of the year, our huge gymnasium was filled to capacity for the thrilling victory. Over one-hundred fans journeyed to Mankato to cheer Jim on as he won his title.

The individual outstanding performances will not be forgotten as we go back over the year. Each single win brought us closer to victory, and each victory brought us closer to the championship.

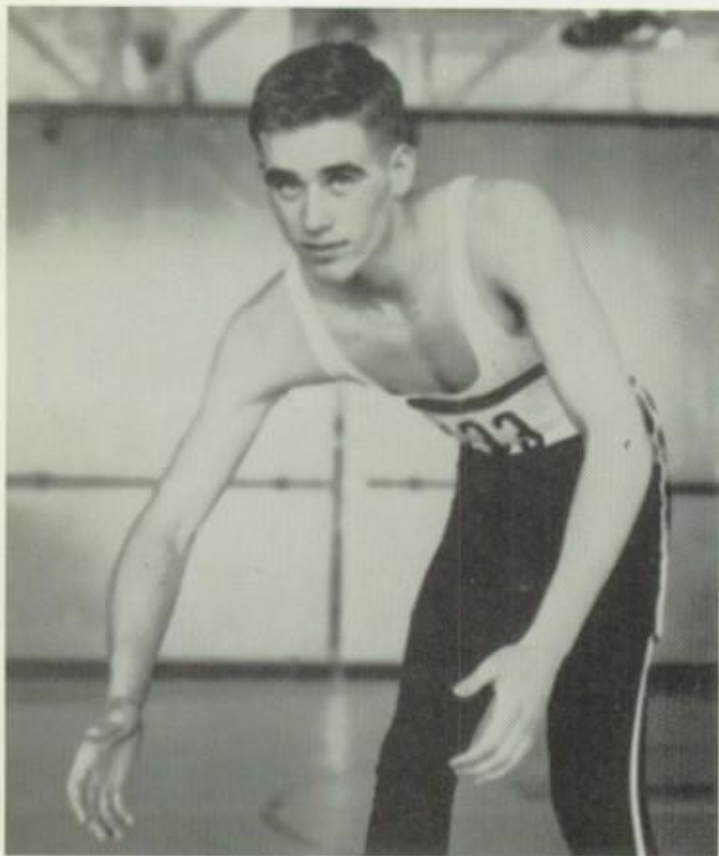

But looking back shouldn't stop us from looking forward, and our wrestling team has a brilliant future before it. Mike Schlins, Ray Windorski, Mike Maas, Mike McNair, Tony and Terry Sworsky, Russ Holland, Don Lennox, and many up-and-coming B-squaders will be back next year to lead our team on to many more tournament titles and state titles. Wrestling, 1963, is over now, but its memory will keep future teams striving to do better.

Fridley has come a long way in Hockey since our school started in 1956. This year was no exception. Our Hockey team played better and fought harder this year, than any other year. As our school continues to grow, so grows our Hockey team in fame and glory.

This year, Ken Hanson and Chuck Hildebrandt were placed on the All-Conference Hockey team as more proof of the team's potential.
